

1.1 Weather Policy

If the weather is forecast to be 36 + degrees 4:30pm the night before the day of competition, a modified program will be run for that day and potentially an earlier start. These decisions will be published on our Facebook page and TeamApp as soon as the decision has been made.

Home competitions will be cancelled if the temperature is forecast to be 38 + degrees 4:30pm the night before the day of competition.

Home training will be cancelled if the temperature is forecast to be 36 + degrees 4:30pm the day before.

SALAA / SA Athletics Stadium have their own hot weather policy and they will run a split modified program if this is applied. This can be viewed on their web site.

N.B If there is heavy or consistent rain we may cancel all competitions or specific events.

If you are unsure on the day in question, please visit our Facebook page or TeamApp for clarification.
